

Learn the techniques of Intuitive Energy Healing

Module 1- Practitioner Level Energy Awareness and Healing 2011

4 days of training by Mark Pasley from Red Spirit Energy Healing.

Here is your opportunity to participate in a 4 day learning experience. If you are serious about learning Energy Healing, this course is designed on multiple levels taking you through all the stages for assisting clients to release their blockages. No experience necessary. The art of healing is open to everyone. Learn how to connect to your true self and your guides to channel healing energy with intent.

Is this the right time...are YOU ready?

- Curious about energy, either holistically or as a healing modality
- Want to add to your current modality
- Looking to create a new business
- Want to change your perspective to all that is
- Looking to improve your coaching tool kit

Note that Red Spirit Energy Healing is an [IICT Approved Training Provider](#). This means that our Practitioner Level training is recognised, allowing you to become a member of IICT and access benefits such as competitive rates for indemnity insurance...if you choose. It also means that we provide a 10% discount on energy healing workshops and training for existing [IICT members](#).

What we will cover...

- Energy management and protection for all aspects of life
- Energy healing on the physical, emotional and mental levels
- Healing through the eye as well as traditional hands-on techniques
- How to setup a healing environment
- Introduction to distant or remote healing and medical intuitive
- Opportunity to practise and receive healing
- Online mentoring by Mark for one month after the training
- FREE Follow-up practise days after the training
- How to build a business around Energy Healing

Bonus...learn how to build a therapy business with just \$1500.

To be conducted in the City of Ipswich, QLD. Venue to be advised.

Fee: \$860 including GST – A \$200 deposit is required to secure a place.
